Problem – Solution Fit Template

The Problem–Solution Fit for ShopEZ – MERN E-Commerce Platform focuses on solving the challenges faced by online shoppers and small businesses. Customers need a secure, simple, and convenient way to purchase products, while businesses require an efficient platform to manage products and orders. ShopEZ addresses these needs through a responsive MERN-based application with secure authentication, product management, cart, and order features.

Purpose:

- ☐ Provide a simple and secure online shopping experience.
- ☐ Help customers browse, search, and order products easily.
- ☐ Enable businesses to manage products and orders efficiently.
- ☐ Improve customer satisfaction through a responsive and user-friendly platform.
- ☐ Support scalable and reliable e-commerce operations.
